

# STUDENT RECORDS

---

## Transcripts

Students can request an official transcript through JagWire. A student must provide identification at the Welcome Center when picking up a copy of a transcript in person. The Family Educational Rights and Privacy Act of 1974, and amendments thereto, states that parents, spouse, legal guardian or others are not authorized to pick up transcripts of students unless written authorization by the student is provided.

## Hold

All students, including continuing education students, should clear any holds they have on their records immediately. Failure to clear a hold causes delays and inconvenience when trying to obtain copies of transcripts through the mail or in person. Since a hold on the record may affect printing and mailing of grades at the end of the semester, students should be sure they do not have any holds before final examinations start. Students with a registration hold on their record will not be permitted to register.

## Change of Name, Address or Social Security Number

Students who wish to change their name on their transcript must provide legal documentation of the change to the Office of the Registrar. Not advising the Office of the Registrar of a legal name change may cause transcript request and registration problems. Students who change their address should likewise notify the Office of the Registrar, Financial Aid or Business Office.

## Gender Changes

A student's official academic record reflects the gender the student-identified him- or herself as to the University when he or she applied for admission to the University. Students who subsequently wish to change the gender designation in their official academic record must provide the registrar with a certified copy of a court order showing their change of gender, or other legal identification, such as a revised driver's license reflecting their new gender. Once the registrar records a gender change in a student's official academic record, the official academic record will identify only the new gender information. To request that your academic record reflect a gender change, complete and submit the Request for Name/Gender Change Form along with supporting documentation, to the Registrar's Office.

## Death of a Student

The death of a currently enrolled student should be reported to the Vice President of Student Affairs. After confirming the death, the Vice President of Student Affairs notifies the appropriate student success departments, faculty and college dean. The Office of the Registrar will be notified to close all student records, and codes the student information system to block mailings to the deceased.
