

TYPES OF AID

There are various types of financial aid at A&M-San Antonio, which consists of grants, loans, student employment and scholarships. These types of financial aid are available to any student who qualifies. In order to qualify, a student must complete a Free Application for Federal Student Aid (FAFSA) at www.fafsa.gov (<http://www.fafsa.ed.gov/>). (<https://studentaid.gov/>) To find out more information on the types of grants offered at A&M-San Antonio, please read additional information pertaining to each grant.

Grants

Grants are gift aid programs that do not have to be repaid. Grants are awarded based on a federal need analysis formula and are mostly awarded on first completed, first awarded basis.

Federal Pell Grant

The Federal Pell Grant Program helps eligible students defray the cost of post-secondary education. The Federal Pell Grant is a federal aid program designed to provide a "foundation" of financial assistance to all eligible undergraduate students and may be combined with other forms of aid to meet the full cost of education. To qualify, a student must demonstrate financial need. The amount of the grant is based on the computed Student Aid Index (SAI), student's enrollment status as a full-time or part-time student, their plans to attend school for a full academic year or less, and the cost of attendance. Students enrolled for less than full-time will receive a reduced grant award in accordance with federal grid tables. Federal Pell Grant eligibility is limited to 12 semesters or 6 years of undergraduate study (See **Continued Eligibility** Section).

Eligibility must be established each year:

- A student must be enrolled in an eligible program as a degree-seeking student.
- A student must be an undergraduate who has not earned a first baccalaureate degree.
- Meet the requirements of the Satisfactory Academic Progress Policy.

Eligibility

Federal Pell Grant is based on established financial need to undergraduates only. Eligibility ends with first baccalaureate degree or a change to graduate status as determined by the Registrar's office.

Continued Eligibility

Students must maintain at least half-time enrollment in most cases, continue to meet Satisfactory Academic Progress requirements and continue to demonstrate financial need.

The amount of Federal Pell Grant funds the student may receive is limited by federal law to be the equivalent of six years or 600% of eligibility used.

If a student's Federal Pell Grant eligibility used equals or exceeds 600%, the student will no longer receive Federal Pell Grant funding. Similarly, if a student's Federal Pell Grant eligibility used is greater than 500% but less than 600%, the student may be eligible for a Federal Pell Grant, but may not be able to receive a full scheduled award.

Students can log on to National Student Loan Data System (https://nsldsfa.ed.gov/nslds_SA/) (NSLDS®) using their FSA ID and view their

Federal Pell Grant eligibility used. The Federal Pell Grant eligibility used can be found on the Financial Aid Review page.

Federal Supplemental Education Opportunity Grant (FSEOG)

The FSEOG program was established to assist in making the benefits of post-secondary education available to qualified students who, for lack of financial means of their own or of their families, would be unable to obtain such benefits without the grant.

The (FSEOG) provides grants to students who demonstrate the greatest financial need. Students must be eligible for the Federal Pell Grant and demonstrate exceptional financial need. Eligible students must be citizens or eligible noncitizens of the U.S. who are accepted for admission and are enrolled at least half-time as undergraduate students, and are maintaining Satisfactory Academic Progress.

- A student must meet all Title IV requirements.
- A student should demonstrate exceptional financial need, be eligible for a Federal Pell Grant and have a 0 SAI (Student Aid Index).
- A student must be an undergraduate who has not earned a first baccalaureate degree.

The maximum award at A&M-San Antonio is \$1000 per semester or \$2000 per academic year and is awarded first to those with lowest EFC's who are eligible for Federal Pell Grants and have submitted their FAFSA by the priority deadline. If funds are still available, FSEOG is awarded to remaining students with the lowest EFC.
