Student Counseling Center

Senator Frank L. Madla Building, Suite 120 | (210) 784-1331 (Available 24/7, For after-hours support, please select option "2") | www.tamusa.edu/studentcounseling (<http://www.tamusa.edu/studentcounseling/>)

The Student Counseling Center (SCC) provides brief individual and group therapy, crisis intervention, consultation, case management, and prevention services. These services can help facilitate students' academic and life goals as well as enhance their personal growth and well-being. The SCC staff of licensed mental health professionals work with students to identify treatment goals and effective strategies to cope with difficult situations. All mental health services provided by the Student Counseling Center (SCC) are available at no additional cost, confidential (as the law allows), and are not part of a student's academic record.

All enrolled A&M-SA students are eligible to receive an initial appointment to assess their needs. The initial appointment is used to make treatment recommendations based on individual symptoms, severity, appropriateness of services, and availability of resources. At the conclusion of the initial appointment, the provider will render a clinical recommendation based on services that are best suited to meet individual needs.

The SCC does charge a \$10.00 no-show and/or late cancellation fee. Students who do not call to cancel or reschedule their appointments at least 24 hours prior to their scheduled appointment time will see a \$10.00 Student Service fee on their account to be paid for in the business office or in JagWire.

Testing Center

Central Academic Building, Suite 209 |

(210) 784-1366 | testing_center@tamusa.edu

(stucounseling@tamusa.edu)

www.tamusa.edu/testing-center (<https://www.tamusa.edu/testing-center/>)

The Testing Center is a service for all A&M-SA students as well as the surrounding community. The Testing Center offers a wide range of examinations including proctored exam services, credit by examination, placement testing, and entrance exams. TSI Counseling is offered through the Testing Center for scores, exemptions, TSI agreement, and enrollment at the University. We facilitate students' educational, personal, social, and cultural development in order to promote their success and persistence in the university. The services provided by the Testing Center are based on the guidelines developed by the National College of Testing Association's Professional Standards and Guidelines.

F.A.T.E. Center

Central Academic Building, Suite 234 | (210) 784-1520 |

fate.center@tamusa.edu (stucounseling@tamusa.edu)

The F.A.T.E. Center at Texas A&M University-San Antonio serves all prospective and admitted students who have been touched by the foster care system. F.A.T.E. support student success through academic coaching, education through the 7 Life Domains, and by enhancing self-advocacy skills to create strong relationships on campus and within the community. The F.A.T.E. Center partners with students to navigate college life as well as local and state agencies ultimately to help students fulfill the goal of graduation. The F.A.T.E. Center supports foster/adopted youth with tuition and fee waiver paperwork, the ETV application, navigating University life, success mentoring, and connecting students to campus and community resources.
